\*The B.S. Plan of Study should be completed in consultation with your Academic Advisor, the AMP Program Coordinator, and your MNR faculty advisor. The B.S. Plan of Study is submitted with your AMP Application along with other materials as outlined in the AMP Checklist. Application materials should be submitted at least 3 terms prior to your anticipated term of graduation. If/when you are accepted into the MNR program you will complete a plan of study for your graduate program as well.
